DE MARTINO ESTATE SAUVIGNON BLANC 2019

Founded in 1934, the De Martino winery has for four generations specialized in making wines that faithfully reflect their origin in exceptional vineyards across Chile.

Our De Martino Estate Reserva wines are made in a fresh style that highlights the fruit and terroir expression of each carefully selected region of origin.

- **ORIGIN**

Casablanca Valley.

- **GRAPE VARIETIES**

100% Sauvignon Blanc.

- **HARVEST**

The grapes were harvested during the third week of March.

- **SOIL**

Decomposed granite.

- **CLIMATE**

Cool coastal climate.

- **ALCOHOL**

13%

- **WINEMAKING**

The grapes were destemmed and pressed gently to avoid extracting bitter phenols. The juice was left to settle and then put into stainless steel vats where the alcoholic fermentation took place with natural yeasts at temperatures ranging between 14°C and 16°C. Malolactic fermentation was blocked and the wine aged over its fine lees for 6 months.

- **TASTING NOTES**

Pale straw colour. Intense aromas of ripe citrus and tropical fruit that lead to a fresh palate with medium body. The wine's characteristic fruit intensity is balanced by fresh acidity and moderate alcohol. The finish is long.
